The PCSOT Course of instruction is beneficial for not only those examiners who are working with convicted sexual offenders, but also those examiners who are working with suspects who are under investigation for sexual offenses. This course is also very informative and is instructed for Law Enforcement Officers and Investigators who are non-polygraph examiners but are assigned to work sexual crimes.

The instructors for this course are psychologists/treatment providers, probation and parole officers, and polygraph examiners who are all actively working with offenders today and over the years have treated, supervised and tested hundreds of sexual offenders.

The Tuition for the PCSOT course including all materials is \$550.00 per student.
